Office of the Board of Health.

Boston, Nov. 8, 1877.

The following regulation respecting glanders and farcy having been made by the Board of Health, you are hereby notified that it is their intention to see its provisions strictly enforced:—

"No horse or other animal having a disease known as glanders or farcy shall be driven or brought into the city.

"The owner, agent or other person in charge of an animal so affected within the city shall forthwith report the fact to the Board of Health, together with the name of such owner and the place where the animal is kept; and it shall be disposed of under the direction of said Board.

"Any veterinary surgeon or other person called to examine or attend such animal shall within twenty-four hours report to said Board the above facts and the type of the disease."

In accordance with a provision of the General Statutes, any violation of the above regulation will subject the offender to a fine not exceeding one hundred dollars.

C. E. DAVIS, JR., Clerk.
